A 2004 MARC
Newsletter of Excellence

March 2006

Monthly Newsletter of The Missouri Valley Region, Model "A" Restorers Club, Saint Louis Missouri
Dedicated to the appreciation, enjoyment and preservation of the Model "A" Ford since 1959

President's Corner

by *Terry Yount 636.532.0005*

Recently the members of our club enjoyed the annual "Banquet" held January 28, 2006 at the Feasting Fox. In the dreary rainy weather, many heads turned when **Don** and **Peggy McCallie** (from Grubville, Missouri) drove up in their Model "A". The party started at 6:00 p.m. and was still going strong at 10:00 p.m. If the board and the members feel this was the ideal place to hold our annual banquet, please let our board know, since we have a couple of other places in mind.

The board met on February 8th at **Phil Terardi's** home to work on new ideas and tours for the 2006 season. The board voted to have **David Fronczak** and **Phil Terardi** as the tour committee chairmen. Feel free to advise the committee or myself on new ideas, which you would like to have happen this year. We have planned our first breakfast at the Golden Corral in St. Charles starting at 8:30a.m. On March 18th. After breakfast, we are off to **Larry Shepard's** home for a garage tour. Please call **Larry** at 636.947.4515 for more details or sign up at the March 7th meeting.

Get ready for the 2006 Marc National membership meet in Lexington, Kentucky from March 30 thru April 2, 2006. Contact me for more details or registration

forms if you would like to attend.

On May 7th, we will have a safety check scheduled at Car-Doc Automotive located at 2277 Administration Drive, East of 270 off Page Avenue, sponsored by **Mark Schenberg**. Refreshments will be served. We have always had a wonderful turn out for this event and a chance to have things fix or adjusted on your car. Also at this event, **Rick Hermann** will be offering at the cost of \$199.00 for an appraisal of your classic antique car. Please feel free to contact me for more details.

If you would like club apparel, please contact **Larry Shepard**.

Terry Oberer is looking for a car to be used at the annual start up party later this summer. That date will be announced at a later time.

This month's profile will be by **John Stoecker**. **John** has been a member of our group since 2005. A great person who is also a train enthusiast. Our prayers are with his family as his son was recently in the hospital.

Stump the Club

When did **Henry Ford** purchase Lincoln Motor Company? For how much? What were the two reasons for the purchase of the Lincoln Motor Company?

Next meeting: Tuesday, March 7, 2006 - 7:30 pm
Trinity Lutheran Church - 820 Lockett Road Kirkwood Missouri

February Minutes

by Cheryl Preston 314.353.4592

The February 7th meeting was called to order by President **Terry Yount** at 7:31pm. **Terry** will be bringing a Comment Box to each monthly meeting where members may contribute positive or negative comments or Model "A" trivia questions. Pretzels and sodas were provided by the president. Members may bring snacks to the meetings or donate some coins to defray the cost. Visitors for the evening included: **Phil Johnson** (son of member **Don Johnson** who owns a 1930 Roadster) **Bryan** and **Brad Ziegler** owner of a 1931 Victoria and 1930 Coupe. **Gene Martens** owner of a 1930 Tudor. **Richard & Janet Finnerty** owners of a 1930 Coupe made in St. Louis. All visitors were invited to join the Missouri Valley Region Model "A" Restorer's Club.

Members were reminded to wear their nametags or pay the treasurer 50 cents. The attendance sheet was distributed and the minutes from the last meeting were approved. **Dayna Cogorno** gave the treasurer's report. The club received a discount from the rental at the Die-Hard party due to the brisk conditions in the building. Members were reminded to check their newsletter and make sure their dues are paid for 2006. **Paul Ganninger** gave a raving testimonial on signing up to receive his newsletter by e-mail and having the photos appear in color. All members are encouraged to receive the newsletter by e-mail to save the club money on postage and printing costs at Kinkos. **David Stukenbroeker** announced there will be a one month delay for the newsletter on the website. For example, in February, the website will be featuring the January newsletter. This delay will not affect the members who receive their monthly newsletter by e-mail, as they will receive the current issue. Also, the deadline for paying the membership dues has changed from April 15 to February 15 for 2006 and will be January 15 beginning in 2007. The Roster deadline is approaching and **David** needs personal ads or business ads sent to him as soon as possible.

The Safety Check is May 7. Appraiser **Rick Hermann** will be available for appraisals on cars at \$199 per car. The 2006 MARC membership meet is March 30-April 2 in Lexington, KY. At this time, there are 6 members who plan to attend. The annual Awards Banquet was held January 28th at the Feasting Fox with approximately 65 in attendance. Everyone enjoyed the Model "A" bingo game by

Rick Hermann and the year in review produced by **David Stukenbroeker**. A deposit was left at the Feasting Fox to reserve the restaurant for next year.

The club is in need of a director for the Tour Committee. **Terry Yount** has several ideas for tours for 2006. He would like to have the members bring their children and grandchildren to these events. Suggestions for tours include: visiting a winery and enjoying a picnic lunch, meeting with the Lion's Club or Chamber of Commerce at a barbeque, and visiting Children's Hospital at Christmas and bringing gifts to the patients.

David Stukenbroeker showed the club the Model "A" Restorer's Club Mileage Award. Members who have questions or would like to sign up should talk to **David**. **Jim Schild** and **Terry Oberer** shared a wealth of information with the club on the answers to the trivia questions about the names "model A" "model T" and "model TT". Winners of the 50/50 included **Neil Clavers** and **Jack Deveney** who pocketed \$20.50 each. Members adjourned upstairs to watch "The Buckeye Bank Robbery". This movie was produced by the Dayton-Buckeye Model "A" Ford Club. Everyone enjoyed the movie and the segment "Down by the Barbershop" was dedicated to **Jim Ruth**. The meeting was adjourned at 9:20pm and all were invited to the Down Under.

2006 Start-Up

by Terry Oberer 636.677.7201

I am looking for a suitable subject car for this year's start-up party car. The car should be a long dormant but fairly complete Model "A". If you have or know of a suitable car please give me a call. I would like to again have the party on a Sunday in July as in the past. As in the past we will have a barbecue, a tour of the area and, of course, the hands on experience of hopefully getting another "A" started. I am going to try to have an added attraction this year. Hopefully I can make it happen.

River port Swap Meet April 30

by Terry Oberer 636.677.7201

At the March 7 meeting we will discuss if we want to have a space at the River port swap this year. We would need members willing to devote some time to man the space in shifts to talk to prospective members and hand out information.

Upcoming Events 2006

by Terry Oberer 636.677.7201

A comprehensive listing of "events of interest" is on our www.modelclub.org. ModelAclub@charter.net

Mark Schenberg 314.991.2277

Jun 26-30 2005 National Meet, Grand Rapids, MI

Will the Real Cheryl Preston Stand Up

by David Stukenbroeker 314.221.1444

Look at the picture below. One person is **Cheryl Preston**, one is her twin sister, **Karen**, and the other is some guy they met there. **Cheryl** is our 2006 treasurer and her husband **Jim** is in Chemo Therapy, her identical twin, and I do mean identical, came in **Jim's**

place. I stood next to them, and without an introduction, never would have known.

Answer is on [page 5](#). Good luck. A small hint, because this is so difficult, **Cheryl** and her sister did not consume anything alcoholic.

Banquet Gifts

by David Stukenbroeker 314.221.1444

Huge round of thanks go to our members who donated gifts to make our banquet all the more special. Thank you to **Gene, Dayna** and **Christina Cogorno, Phil** and **James Ierardi, Robie Haines** and his great mom **Lorraine, Fred** and **Susan Burk, Jim** and **Myrna Schild, Terry** and **Karen Yount** and **Frank & Honora Eppert**. A special thanks to **Larry** and **Amy Shepard** for the blue club logo mugs everyone received. The club donated six \$25.00 gift certificates also.

Rick and **Loretta Hermann** came up with a great game called Model A bingo. It was fun and frustrating at the same time. I had all the luck I usually have with the lottery.

Overall, I think the banquet was a success. I hope everyone's needs were met. It was a challenge to put all of the concerns together and still have a quality night. Please let **Terry Yount** know what you thought so it can help him with his planning for our next banquet.

1. RAISE HOOD
2. APPLY LIBERALLY TO CARBURETOR AS NEEDED
3. CLOSE HOOD

Special Award by Terry Oberer 636.677.7201

During last summers trip to Indianapolis, **Lance Klingemann** had a fuel problem. The fuel was boiling in the carburetor bowl, so with special bottled water, I rode on the running board and at stops, applied the water according to the Ford Service Bulletin in

1930. We were able to salvage 2 of the original NOS bottles for this very unique award. I am happy to report, the water did the trick and everyone had a safe and successful tour. **Lance** was able to finish the mandatory tour with the group and will proudly display this award at home.
